

## Welcome!

We are a group of ordinary people who have committed ourselves to Jesus Christ. We know GOD's heart is to love and we have a growing passion to demonstrate that love as well. We aren't perfect, but we're growing, and we welcome any "not perfect" people to join us!

We love to study the Bible and desire to challenge each other to grow in our relationship with God. We also love to laugh, play and enjoy the companionship we share on this journey, as many of us come from different walks of life. We'd love to get to know you better.

If you're new and want to get connected, please fill out a Connect Card located in the pew holder and turn it in at the Connect Table.
