

# Sermon Supplement from October 22

Dealing With Death In The Meantime | 1 Thess. 4:13-18

## Warm Up

- What differences have you experienced at funerals for Christians versus non-Christians?
- What are prevailing secular attitudes toward death in our culture today?

## Dig In

- According to verses 13 and 18 what is the purpose of this section?
- How does the information given in verses 13-18 accomplish this purpose?
- According to verse 14 how does the gospel of Jesus factor into our hope in death?
- Discuss the correlation between lack of hope and lack of gospel in our secular culture.
- Discuss this statement: *What we believe about life after death has implications for how we deal with death.*
- Read verses 15-17 and discuss the following 4 aspects: Return, Resurrection, Rapture, Reunion. What do you think about the scene described here? How does it help you? What does it teach you about Jesus? The Future? Life and Death?
- If you have time, peruse 1 Corinthians 15 and discuss how this passage adds to our understanding of death and the future.

## Apply

- Verse 18 gives us a practical exhortation to encourage each other with God's Words concerning death and the future. How might you put verse 18 into practice?
- What practical steps will you take this week as a result of this study?
